

KANGAROO ISLAND BREWERY

— OUR REGULAR BEERS —

PALE ALE

An easy-drinking Australian pale with subtle citrus, gentle tropical fruit and a smooth malt finish. Refreshing, balanced and brewed for any occasion.

AMBER ALE

A balanced amber with caramel malt, toasted biscuit and earthy hop character. Galaxy, Cascade and Amarillo hops deliver a subtle fruity aroma and a smooth, warming finish.

COASTAL LAGER

Clean, crisp and highly refreshing. A light-bodied lager with delicate malt character and a dry finish that's made for long afternoons by the coast.

IPA

Bold and hop-forward with vibrant citrus and stone fruit aromas. A full-bodied India Pale Ale delivering layers of malt, balanced bitterness and a lingering finish.

XP LAGER

Extra pale, extra crisp. A bright, easy-drinking lager with subtle hop notes, a clean finish and exceptional drinkability.

SPARKLING ALE

A classic Australian sparkling ale with lively carbonation, fruity esters and a rich malt backbone. Smooth, refreshing and deceptively easy drinking despite its strength.

SHEOAK STOUT

Rich roasted malts with notes of coffee and dark chocolate, finished with charred Kangaroo Island sheoak for a gentle smoky, woody character. Full flavoured without being overly heavy.

GINGER BEER

Made with real ginger for a bold, zesty kick. Spicy and refreshing with a touch of sweetness and a crisp, cleansing finish.
